Tallantire Wind Farm Inquiry

Confirmed Minutes of Meeting held on 21st June 2011 received and Unconfirmed Minutes of Meeting held on 16th February 2012 received.

Mr Ian MacCambridge sent a letter to RES re the Benefits fund (copy attached).
Fund Panel Query - Matthew Horn has received a communication from Blindcrake PC stating that they would not be eligible for funding under the current Heads of Terms. They feel that because their parish boundary is situated in close proximity to the wind farm and that they have the transport route running through their parish that this is justification for fund allocation. This was discussed fully at the Parish Council meeting and it was proposed by Mr John Graves and seconded by Mr Ashley Firm that they are not included in the fund allocation. All present agreed.
